

Your calls, customized. Personalize your headset controls.

The BlueParrott B350-XT has the industry's best noise cancelling and sound quality. Plus you can set our new, exclusive Parrott Button™ to your choice of mute, speed dial, and more. B350-XT is packed with great features, and it's sleeker, more rugged, and more compact than our B250 series.

Benefits

- **Industry-leading noise cancellation.** Blocks out 96% of background noise.*
- **All-day conversations.** Up to 24 hours of talk time.
- **Control the headset your way.** Customize your favorite features with the Parrott Button™.
- **Flexible connection.** Use two cell phones or a phone and a PC at the same time.
- **Streams your multimedia.** Music, GPS directions, and more.
- **Walk and talk.** Roam up to 66ft from paired Bluetooth devices.
- **Built to last, whatever the conditions.** Durable, all-day comfort for calls and music.

Engineered for superior calls in high-noise environments

*Independently verified by CJS Labs San Francisco, CA
