

CEHS-MB 01 cable

The CEHS-MB 01 is a adapter cable for mobile phones.

The cable is an enhancement for all mobile professionals who now have the possibility of connecting the mobile phone to the wireless headset.

With this mobile cable you will be able to replace the traditional desk phone with your mobile phone and get a more flexible and comfortable UC solution.

The CEHS-MB 01 is compatible with the wireless office headsets by Sennheiser Communications - DW Office, DW Pro 1, DW Pro 2 and D 10.

Benefits and Features:

- Replace the traditional desk phone with your mobile phone
- Handle all calls by the press of a single button, i.e. end the call
- Get notified from the distance about incoming calls by the ring tone in the headset
- Efficient and flexible call handling i.e. take or end the call*
- Easy setup

*Please note that the electronic hook switch feature is not supported by all mobile phones
